HYDERABAD METRO RAIL LIMITED
(A Government of Telangana Enterprise)

Notice No.:1395/CGM/EE-VI/HMR

Date: 11.08.2016

(Revised) Expression of Interest

for

Multi Level Parking with commercial space (MLP) and Skywalks for Hyderabad Metro Rail

Hyderabad Metro Rail Limited (“HMRL”) having its principal offices at Metro Rail Bhavan, Saifabad, Hyderabad-500 004 is engaged in the development of Mass Rapid Transit System (MRTS) in the city of Hyderabad. The Metro Network will cover a total distance of around 72 Km across three corridors. L&T Metro Rail (Hyderabad) Limited, a Special Purpose Vehicle of Larsen and Toubro Limited is the Concessionaire for the Hyderabad Metro Rail Project. As part of this project, two Metro Stations are being developed at Nampally (near Nampally Railway Station) and Gandhi Bhavan. The area experiences heavy traffic during the day and lacks organized parking spaces. Further, there are no proper footpaths available for pedestrians. In order to address this problem and future congestion, HMRL intends to develop an Integrated Multi Level Car Parking with commercial space (MLP) and Skywalks around these Metro Stations. A plot of about 0.5 acre has been identified and allocated for the purpose of the MLP. HMRL intends to appoint a Concessionaire for the development of the MLP and Skywalks on design, build, finance, operate and transfer (DBFOT) basis and is issuing an Expression of Interest (“EOI”) for prospective Bidders.

The EOI document is available to be downloaded from HMRL website (<http://www.hmr.gov.in/tender.html>) from August 12, 2016. Last date for Submission of the response to the EOI is September 16, 2016. For further details please contact the following:
