

HYDERABAD METRO RAIL LIMITED

(HMR, a State - owned Public Enterprise of Govt. of Telangana)

Metro Rail Bhavan, Begumpet, Hyderabad – 500016

Lr.NO.2306/EE-IV/HMR/2017

Dt:23.06.2017

To

The Executive Engineer
Div-10C,CZ ,GHMC
Yosufguda,
Hyderabad.

Sir,

Sub:-GHMC – Central Zone- Division No.10C-Maintenance of existing SW Drain- Raising of existing SW Drain catch pits on Krishna Nagar main road- Reg.

Ref:- Your Lr.No. 16/EE/Div-10C/CZ/GHMC/2017-18 Dt:21.06.2017

@@@@@

In response to your letter vide ref cited it is to inform that the SW Drain on the Krishna Nagar main road from Kotla Vijay Bhaskar Reddy stadium to Indira Nagar is silted up and the catch pits are not absorbing the storm water due to the silt filled up in the catch pits. As the road was in bad condition, LTMRL had restored the damaged road and during the site inspection of the corridor it is informed to the GHMC Engineers concerned to desilt the SW drain and catch pits to avoid water stagnation and damage to BT Road. It is learnt that the GHMC Engineers has proposed for raising storm water drain catch pits.

In this connection it is to inform that the works related to existing storm water drain at Krishna Nagar like desilting, raising the catch pits, etc., which are not connected to the Metro Rail works directly are to be taken up comprehensively by the GHMC.

This may kindly be treated as most urgent.

Yours faithfully,

Executive Engineer-IV
HMR.
